# **COMPLAINT FOR COPYRIGHT INFRINGEMENT**

## **JURISDICTION AND VENUE**

1. This is a civil action seeking damages and injunctive relief for copyright infringement under the copyright laws of the United States (17 U.S.C. § 101 et seq.).

2. This Court has jurisdiction under 17 U.S.C. § 101 et seq.; 28 U.S.C. § 1331 (federal question); and 28 U.S.C. § 1338(a) (copyright).

3. Venue in this District is proper under 28 U.S.C. § 1391(b) and/or 28 U.S.C. § 1400(a). Although the true identity of each Defendant is unknown to Plaintiffs at this time, on information and belief, each Defendant may be found in this District and/or a substantial part of the acts of infringement complained of herein occurred in this District. On information and belief, personal jurisdiction in this District is proper because each Defendant, without consent or permission of the copyright owner, disseminated over the Internet copyrighted works owned and/or controlled by the Plaintiffs. On information and belief, such illegal dissemination occurred in every jurisdiction in the United States, including this one. In addition, each Defendant contracted with an Internet Service Provider

("ISP") found in this District to provide each Defendant with the access to the Internet which facilitated Defendants' infringing activities.

**COUNT I**  
**INFRINGEMENT OF COPYRIGHTS**

20. Plaintiffs incorporate herein by this reference each and every allegation contained in each paragraph above.

21. Plaintiffs are, and at all relevant times have been, the copyright owners or licensees of exclusive rights under United States copyright law with respect to certain copyrighted sound recordings, including, but not limited to, all of the copyrighted sound recordings on Exhibit A to this Complaint (collectively,

these copyrighted sound recordings shall be identified as the “Copyrighted Recordings”). Each of the Copyrighted Recordings is the subject of a valid Certificate of Copyright Registration issued by the Register of Copyrights to each Plaintiff as specified on each page of Exhibit A.

22. Among the exclusive rights granted to each Plaintiff under the Copyright Act are the exclusive rights to reproduce the Copyrighted Recordings and to distribute the Copyrighted Recordings to the public.

23. Plaintiffs are informed and believe that each Defendant, without the permission or consent of Plaintiffs, has used, and continues to use, an online media distribution system to download, distribute to the public, and/or make available for distribution to others, certain of the Copyrighted Recordings. Exhibit A identifies on a Defendant-by-Defendant basis (one Defendant per page) a list of copyrighted recordings that each Defendant has, without the permission or consent of Plaintiffs, downloaded, distributed to the public, and/or made available for distribution to others. In doing so, each Defendant has violated Plaintiffs' exclusive rights of reproduction and distribution. Each Defendant's actions constitute infringement of Plaintiffs' copyrights and/or exclusive rights under copyright. (In addition to the sound recordings listed for each Defendant on Exhibit A, Plaintiffs are informed and believe that each Defendant has, without the permission or consent of

Plaintiffs, downloaded, distributed to the public, and/or made available for distribution to others additional sound recordings owned by or exclusively licensed to the Plaintiffs or Plaintiffs' affiliate record labels.)

24. Plaintiffs are informed and believe that the foregoing acts of infringement have been willful, intentional, and in disregard of and with indifference to the rights of Plaintiffs.

25. As a result of each Defendant's infringement of Plaintiffs' copyrights and exclusive rights under copyright, Plaintiffs are entitled to statutory damages pursuant to 17 U.S.C. § 504(c) against each Defendant for each infringement by the Defendant of each copyrighted recording. Plaintiffs further are entitled to their attorneys' fees and costs pursuant to 17 U.S.C. § 505.

26. The conduct of each Defendant is causing and, unless enjoined and restrained by this Court, will continue to cause Plaintiffs great and irreparable injury that cannot fully be compensated or measured in money. Plaintiffs have no adequate remedy at law. Pursuant to 17 U.S.C. §§ 502 and 503, Plaintiffs are entitled to injunctive relief prohibiting each Defendant from further infringing Plaintiffs' copyrights, and ordering that each Defendant destroy all copies of copyrighted sound recordings made in violation of Plaintiffs' exclusive rights.

WHEREFORE, Plaintiffs pray for judgment against each Defendant as follows:

1. For an injunction providing:

"Defendant shall be and hereby is enjoined from directly or indirectly infringing Plaintiffs' rights under federal or state law in the Copyrighted Recordings and any sound recording, whether now in existence or later created, that is owned or controlled by Plaintiffs (or any parent, subsidiary, or affiliate record label of Plaintiffs) ("Plaintiffs' Recordings"), including without limitation by using the Internet or any online media distribution system to reproduce (*i.e.*, download) any of Plaintiffs' Recordings, to distribute (*i.e.*, upload) any of Plaintiffs' Recordings, or to make any of Plaintiffs' Recordings available for distribution to the public, except pursuant to a lawful license or with the express authority of Plaintiffs. Defendant also shall destroy all copies of Plaintiffs' Recordings that Defendant has downloaded

onto any computer hard drive or server without Plaintiffs' authorization and shall destroy all copies of those downloaded recordings transferred onto any physical medium or device in Defendant's possession, custody, or control."

2. For statutory damages for each infringement of each Copyrighted Recording pursuant to 17 U.S.C. § 504.
3. For Plaintiffs' costs in this action.
4. For Plaintiffs' reasonable attorneys' fees incurred herein.

5. For such other and further relief as the Court may deem just and proper.
