Dear Sir:

The references cited on attached Form PTO-1449A are being called to the attention of the Examiner. These references are provided in a total of four (4) boxes concurrently mailed herewith.

The four (4) boxes have the following certified mailing receipt nos.:

- (a) 7005 2570 0000 7647 9191;
- (b) 7005 2570 0000 7647 9184;
- (c) 7005 2570 0000 7647 9177; and
- (d) 7005 2570 0000 7647 9160.

A copy of this Information Disclosure Statement is being provided in **each box**. The copy of the Information Disclosure Statement in the box identified with the certified mailing receipt no. 7005 2570 0000 7647 9191 (i.e., (a) above) is the **original** which is to be entered as the Information Disclosure Statement for the above-identified reexamination. In each of the other 3 boxes identified above, the Information Disclosure Statement is stamped as a copy, and should **not** be entered since this would cause duplicative entry with the original Information Disclosure Statement from the box identified by (a) above.

- Copies of the cited non-patent and/or foreign references are enclosed herewith.
- Copies of the cited U.S. patents and/or patent applications are enclosed herewith.

Copies of the cited U.S. patents/patent application publications are not enclosed in accordance with 37 C.F.R. § 1.98(a).

Copies of the cited references are not enclosed, in accordance with 37 C.F.R. § 1.98(d), because the references were cited by or submitted to the U.S. Patent and Trademark Office in prior application Serial No. \_\_\_\_\_ filed \_\_\_\_\_, which is relied upon for an earlier filing date under 35 U.S.C. § 120.

To the best of applicants' belief, the pertinence of the foreign-language references are believed to be summarized in the attached English abstracts and in the figures, although applicants do not necessarily vouch for the accuracy of the translation.

Examiner's attention is drawn to the following co-pending applications:

Serial No. 09/502,285 filed 02-11-2000 (Attorney's Ref. No. 3367-2-2)

Serial No. 12/016123 filed 01-17-2008 (Attorney's Ref. No. 3367-2-2-2)

Other: \_\_\_\_\_

---

Submission of the above information is not intended as an admission that any item is citable under the statutes or rules to support a rejection, that any item disclosed represents analogous art, or that those skilled in the art would refer to or recognize the pertinence of any reference without the benefit of hindsight, nor should an inference be drawn as to the pertinence of the references based on the order in which they are presented. Submission of this statement should not be taken as an indication that a search has been conducted, or that no better art exists.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application and the references made of record therein.

Although no additional fees are believed to be due and owing, to the extent any such fees are due and owing, Patent Owner authorizes debiting Account No. 19-1970 for such purposes.

Respectfully submitted,

SHERIDAN ROSS P.C.
