Subject: BPDG: OCPS Associated Obligations

Dear all,

Below please find the proposed Associated Obligations for the OCPS technology which Philips has presented for inclusion in Table A:

Authorized Digital Output Technologies: Open Copy Protection System ("OCPS")

Associated Obligations: When passing Unscreened Content or Marked Content to an output protected by OCPS, a Covered Product shall (a) carry any OCPS Revocation Notice delivered in association with such content (in a manner to be defined, e.g. by ATSC) to the OCPS Source Function, and
(b) set the OCPS Copy Control Information ("OCCI") bits to the indicated binary values:

- (i) in the case of unrestricted content, set to 0x0
- (ii) in the case of Unscreened Content, set to 0x1
- (iii) in the case of Marked Content, set to 0x2
